# Emmanuel EDMONDS

## About Mr. Edmonds

Emmanuel Edmonds, was born and raised on the rough side of Indiana. In a city known for high crime (Double the U.S. average), murders, burglaries, theft, rape, drugs, assaults, car theft and poverty stricken single parent households - Gary, Indiana. During President Barack Obama's administration, he visited the small city, providing much needed aid & support... declaring it as a city that had fallen on vast devastation, hard times of poverty and shortage of jobs for the population. A city where many young men are lucky to make it out alive.

Edmonds knows far too well, that it's NOT the water AROUND a boat, that sinks a boat... it's the water that gets INSIDE the boat, that sinks the boat. So, he made INTENTIONAL decisions to be a statistic of Hope, Change, Transition and Prosperity!

In spite of these obstacles... he made it To The Top!

Edmonds' education from Indiana University (Business Administration and Management) was the beginning of this change.

Edmonds is a Successful Car Dealership Owner; Providing vehicles, Jobs, Inspiration and Hope to Many, as well as anyone from his hometown, to Keep God First, Work Hard, Believe and Never Give Up! Edmonds has received numerous awards Year over Year... such as Dealership President's Awards, Dealer of the Year Awards, Consumer Satisfaction Awards, Dealership Volume Awards, Top 10% Excellence Awards, BBB Awards for Excellence Winner of Distinction and many more.

Edmonds is a Real Estate Developer and Investor; providing a dream come true for many 1st time Home Buyers and Improving the appearance of many lower income areas, to help increase the value of their properties, by providing innovative development in the areas, with new and creative construction projects.

Just as much time, effort and energy that Edmonds places into being financially successful, he's just that tenacious when it comes to giving of his time, talents and treasures in the community. He is a Key Sponsor and Supporter of The Smith Foundation that gives Scholarships, School Supplies, Toys and Food to the Community. Because of Edmonds strong and consistent Humanitarian efforts, he's received numerous awards like the Humanitarian Award, Proclamation from the City of Houston declaring an Official Day to be named in his Honor, Community Service Leaders of Indiana, Man of Honor & Hope Award... just to name a few, as well as been recognized by the City of Houston for his Community Service and Philanthropic efforts.

Edmonds is a Leader in his church, Respected in his Community, Dedicated Husband, Father and the Rock for his entire Family. He's Grateful to God for His Many Blessings.
